

## technical features of GLOBO\_2

**FINISHES:** in 33 matt lacquer colours, in 16 gloss lacquer colours, gold leaf, silver leaf.

The structure is made from lacquered class E1 particleboard panels. The fronts are made from lacquered, curved, ayous multilayer panels. The lacquers used are of the matt polyurethane water-based type for matt lacquers and brushed polyester for gloss lacquers. All the drawers are soft-close. The model is supplied with a handle sunken into the front.

**No accessory is available.**

**NOTES:** custom-sizing and special reductions are not available for these items.

To clean gold leaf and silver leaf surfaces do not use products containing acetone, alcohol, ammonia, thinners or abrasive detergents.

### COMPLIANCE TO SAMPLE

Compliance to sample cannot be absolute because there are tolerance margins due to product variations (colours, materials, sizes) or caused by environmental factors (light, humidity etc...).

If the order is completed at different moments in time it is impossible to guarantee a perfect colour/cover match between the original layout and additional units.

- Colour reproductions on paper can differ slightly from original colours.
